

Greenville's Food Rescue.

Stock the Shelves

During this season of gratitude and abundance, thank you for helping Loaves & Fishes “Stock the Shelves.”

Loaves & Fishes picks up surplus food seven days a week and delivers to 110 partner agencies who distribute it to individuals and families in need. Your generous spirit and support of Loaves & Fishes’ “Stock the Shelves” truly make a difference.

Every food item you collect reaches the table of one of the 45,000 people in Greenville experiencing food insecurity. Every dollar you collect in donations makes an impact worth \$19, while a gift of \$100 fuels one of Loaves & Fishes’ refrigerated trucks for days.
